About Umbrella Studio

Background of Umbrella Studio

Umbrella Studio is an independent, not for profit organisation that generates and promotes the practice and awareness of contemporary art in North Queensland. Umbrella was established in 1986 as a working studio by a group of emerging Townsville artists. Umbrella Studio was the only artist-run initiative, and the first professional artist organisation north of Brisbane.

Since incorporating in the early 1990s, Umbrella offers practical studio based facilities and a professionally managed contemporary arts organisation with an annual program of changing exhibitions, workshops and public programs.

Members and Participants

Umbrella Studio is a member-based organisation with nearly 250 active members, and this number is steadily

increasing. Members are committed to the principles of the organization, and are frequent visitors. Most participate in at least 6 annual events, volunteer or donate to fundraising activities at least once a year, and have been Umbrella Studio members for 3 or more years.

Umbrella has sustained an increase in the number of new members, program participants and visitors to events. Demographics of participants reveal a continual increase in young members and in young and emerging artists participating in activities.

Geographic context and reach

Umbrella Studio sits in the centre of the access point north to Ingham, south to Bowen and west to Mt Isa. Umbrella works collaboratively with key arts organisations to include artists living in regional areas of North Queensland.

President's Report

My first year as President of Umbrella Studio ("Umbrella") has been enjoyable and eventful. However, with the support of a first-class Board, my job has been made much easier. I felt the Board members all made valuable contributions and provided varied viewpoints - ranging from experienced practising artists and arts administrators (with a wealth of knowledge and history), to emerging artists, school-focused members and those able to make a commercial, "real world", contribution. I believe this created a dynamic and robust Board and recommend that future Boards should have a similar blend.

Throughout the year we made it clear we were not going to micro-manage the day to day running of Umbrella but, rather, were more concerned with monitoring the financial performance and broader strategic progress of Umbrella. I believe Umbrella is in good financial and artistic shape in this regard.

We were also comfortable with adopting this approach due to the faith we have in the Umbrella staff. When the volume of exhibitions and other work that is referred to in the Director's report is considered, the small band of Umbrella staff deserve our congratulations on a job very well done over the last year.

Something that has particularly made an impression on me over the past year is the energy and passion for Umbrella of the Director, Vicki Salisbury, and I am convinced that her leadership and drive has been a critical element in the success of Umbrella over the last year.

As many members will be aware, another person whose efforts have been critical in Umbrella's success - not just over the last year but over the last 13 years – is former Administrator, Alana Mandryk. Alana has done a sterling job over that time and I would like to take this opportunity to formally thank her for her hard work and dedication over that time and acknowledge that she will certainly be missed.

With Alana having resigned to take a well-earned break the Board resolved to employ a person on a full-time basis to enable the Director to focus less on the business side of Umbrella and focus more on the artistic side.

After a number of good quality applications, short-listing and interviews, the Board were very pleased to offer the role of Business Manager to Kayleen McLean and we wish her every success in her new role.

We also initiated a Member survey which, on the whole, was very positive in its conclusions. I anticipate an annual online Members' survey will be circulated and urge all members to participate.

There has been a steady increase in membership and, at the time writing this report, we have 254 members. A special mention is warranted for Board Member, Amanda Howard, who successfully encouraged many of her students to become Members of Umbrella.

I also want to thank James Ellis – Business Administration Trainee, and Aaron Ashley, Technical Officer, for their contribution this year; as well as all volunteers, artists, members and the general public who helped make our exhibitions and workshops as successful as they have been.

As some of you may know, in response to a letter from a number of artists concerned about the mooted closure of Pinnacles Gallery by the Townsville City Council I wrote to the Council expressing those concerns. At the time of writing this report a meeting has been arranged with the Council and, hopefully, we will have more news that I can share by the time of the AGM.

I commend our website to all members and encourage you to regularly check it out as it has a lot of very interesting information. I particularly note the Residency for emerging visual artists at Aberystwyth Arts Centre in Wales which could be a fantastic opportunity for one of our members.

Finally, thank you to the Board - Gail Mabo, Emma Hill, Bernadette Ashley, Amanda Howard, Lynn Scott-Cumming, Alison McDonald, Jill O'Sullivan and Robert Barton - for your contributions and counsel over the last year, they have been very welcome.

Treasurer's Report

As was noted in last year's Annual Report, 2008 was – from a financial perspective – Umbrella Studio's biggest year on record and saw substantial growth in all areas of Umbrella's budget compared with previous years. After this 'great leap forward' in operations, it is not surprising that 2009 saw a return to a more modest rate of growth and a period of financial consolidation. In many respects, the audited financial results for 2009 closely resemble those for 2008, but adjusted for inflation in some areas and the economic downturn in others.

Income for the 2009 calendar financial year was \$354,206, up by \$36,601 from \$317,605 in 2008. Expenditure also increased by a similar proportion from \$280,285 in 2008 to \$318,094 in 2009. The net profit returned to Umbrella Studio in 2009 was \$36,111, approximately \$1200 down on last year's result but still representing a very healthy 10.2% of total income being added to reserve funds.

The Balance Sheet remains overwhelmingly healthy for Umbrella Studio at the end of 2009, despite some significant challenges throughout the year. 2009 was the first full year in which increased, average-wage salaries were paid to the Director and staff. Further, with the departure of Umbrella's long-serving Administrator, Alana Mandryk, towards the end of the year, the organisation faced a significant cash pay-out of long service and other leave entitlements. Due to well planned forward provisioning, Umbrella managed these cost imposts with no significant impact on the bottom line and retained a total of \$216,985 in total Members' Funds at the end of 2009, together with a reduction in total liabilities from \$115,237 in 2008 to \$42,625 at the year's end.

Non-operational grant income for specific projects was significantly increased in 2009. This included significant funding for special projects such as Tonite We Run (\$19,627) and Umbrella Studio's Q150 contribution (\$9,211). RADF grants received for specific projects increased by approximately \$3,500 on the previous year, while new project grants funds of \$2,400 were obtained from the Breakwater Casino Trust.

Together with CPI adjustments in operational grants from major bodies such as Arts Queensland (\$154,500) and the Visual Arts & Craft Strategy (\$61,139), these new sources of specific project funding tended to offset the decline in earned income that resulted from the completion, during early 2009, of the successful IBA Sugar Shaker and Master Class Printmaking projects. Other general areas of earned income such as artwork sales, merchandise sales, workshop fees, membership registrations and interest received continued to grow significantly in 2009, reflecting the trend established in 2008.

While grant funding remains a significant proportion of Umbrella Studio's income stream in 2009, it has continued to diversify in terms of source and application. At \$154,500, Arts Queensland's generous Operational Funding continues to reduce as a proportion of Umbrella's overall budget (approximately 40% of income). Instead, new and increasingly diverse streams of income are being sought from other sources and, for the most part, for specific exhibition and other program related projects, rather than general operations. With a 'living' arts organisation such as Umbrella Studio, this has obvious benefits for practising contemporary artists, as reflected in the huge increase in artist's fees paid in 2009: \$22,260, compared to \$6,869 in 2008.

2009 has not been the easiest year or financial climate for any arts organisation in Australia. Government funding levels have remained tight and competition for privately sourced funds has increased significantly. While far from the storm that many were predicting just 12 to 15 months ago, Umbrella Studio has adapted to the challenging conditions and recorded positive growth for the year and a healthy operating surplus and top-up to the organisation's reserve funds in 2009.

Director's Report

We have experienced a tremendous 2009 at Umbrella Studio. More than 300 artists have participated in an outstanding mix of exhibitions, workshops, performances and public programs. Umbrella offered 14 workshops in the Studio Downstairs ranging from a variety of print making techniques, fused/slumped glass, paper and book making, composition and colour and youth workshops. Workshops were facilitated by exhibiting artists, visiting artists and our highly skilled and diverse artist/members with record \$35,540 being paid to artists, performers, curators and workshop facilitators. Umbrella facilitated the delivery of professional development workshops including grant writing for RADF funding and various grants, Tax Basics an arts/business talk specifically for artists delivered by PricewaterhouseCoopers. We provided opportunities for arts organisations to present information to our members and others including; Australia Business Arts Foundation, Flying Arts and Arts NEXUS. Artsupport and BoardConnect are organisations that also contributed by supporting the highest levels of professionalism for our Board of Management.

The year has provided a full and stimulating program of exhibitions featuring 20 exhibitions that utilize the entire building including; Main, Access and Vault spaces, the Studio Downstairs and the newest exhibition space, our Car Park. 2009's calendar of exhibitions once again highlighted the diversity and strength of artwork produced by contemporary Queensland artists including young and emerging artists, Aboriginal and Torres Strait Island artists, mid career to senior contemporary arts practitioners.

Wheelchair access combined with limited exhibition space in Townsville makes the Studio Downstairs critical for local community groups mounting professional exhibitions. This is the second year Umbrella hosted *Creatability*, a state wide art competition produced by Disability Queensland; and *From the Streets*, works by artists experiencing homelessness, produced by Yumba Meta.

New works created in the Studio Downstairs have resulted in three travelling exhibitions including; the Indigenous print-makers display of works on paper, commissioned for the Holiday Inn, and the inaugural Cairns Indigenous Art Fair. *Ignite Youth*, a 3 week open studio, enabled young artists to create new art works for an exhibition at Perc Tucker Regional Gallery. Compact Prints 2008 International Print Exhibition and Exchange is Umbrella Studio's signature exhibition. It travelled to Victoria and to Kickarts in Cairns, and with the support of Queensland Arts Council, Compact Prints 2008 will continue touring in 2010 to venues in Queensland and NSW.

Umbrella Studio Contemporary Arts Annual Report 2009

Umbrella expanded collaborations with key cultural organisations, bringing new audiences to the gallery. Across organisation activities add value to our exhibitions and existing programs by linking regional arts groups working in all genres. Examples of regional partnerships include the Coffee Concert / Artist Talk series in partnership with the Music Centre North Queensland. Other special events included the première performance of "Suite Brolga" as part of the Australian Festival of Chamber Music and Excite Youth modelling wearable glass jewellery by North Queensland artist Judith Bohm-Parr.

Artwork sales increased this year due to the Indigenous Business Australia commission of works for Townsville Holiday Inn, sales from the Cairns Indigenous Art Fair in addition to works sold from our exhibitions such as *On the Edge*.

As well as triennial core funding from the Australia Council and Arts Queensland Umbrella Studio has received project funding and in-kind support from government, business and philanthropic foundations. We are grateful to receive in-kind support from Paradise Outdoor Advertising, C.EDE and funding from our major sponsor CEMEX for *Now and Then*. We also acknowledge funding and support from Indigenous Business Australia, Breakwater Casino Fund and Perpetual Foundation. Two RADF grants from Townsville City Council supported the archiving project and a mono-print workshop/exhibition. Project funding from Arts Queensland supported *Tonite We Run* through Artist Run Initiative and *Now and Then:* 150 Years of Art Making through a Q-150 grant.

Commitment from our small team of staff ensures that best business practice is maintained in all operations and events. This year we said farewell to our long time Administrator Alana Mandryk who, after 13 years of dedication to the organisation, resigned. We thank Alana for the contribution she has made to Umbrella Studio. The role of Administrator was expanded to full time Business Manager, a strategic position. We welcome Kayleen McLean to fill this important role. She brings with her high levels of knowledge in computer data management and is well equipped to support the development of systems and procedures required to maintain our key services as well as move us forward. James Ellis is one year into his two year Business Administration traineeship and will assist Kayleen with various administrative duties. Former trainee, Aaron Ashley remains on staff as our Technical Officer, providing a high level of professionalism to our web, programs and marketing.

Upon reflection, 2009 has been a full year of outstanding achievement for Umbrella. Umbrella maintains highly

effective operations due to the vigilant guidance and ongoing support of the Board of Management Committee. Assistance from volunteers throughout the year is vital to supporting daily operations and the increasing participation of our growing membership is evidence that Umbrella effectively engages the wider community with contemporary arts. The significant role of Umbrella Studio as a professional, independent, contemporary art space becomes more significant in

a rapidly growing regional North Queensland. It has been a challenging, full and invigorating year. I feel very privileged to be working in this special organisation and I look forward to participating in its exciting future.

Notes to the Financial Statements For the year ended 31 December 2009

Note 1: Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act. The committee has determined that the association is not a reporting entity.

The report has been prepared in accordance with the requirements of the Associations Incorporation Act and the following Australian Accounting Standards:

AASB 112: Income Taxes AASB 1031: Materiality

AASB 110: Events after the Balance Sheet Date

AASB 117: Leases

No other Australian Accounting Standards, Urgent Issues Group Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:

Income Tax (a)

The association is a non-profit organisation and member income is exempt from income tax.

(b) Fixed Assets

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(c) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

Statement by Members of Committee For the year ended 31 December 2009

The Committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Committee the Income and Expenditure Statement, Detailed Balance Sheet and Notes to the Financial Statements:

- Presents fairly the financial position of UMBRELLA STUDIO ASSOCIATION INC as at 31
 December 2009 and its performance for the year ended on that date.
- At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

BRIAN EDMOND

President

ROBERT BARTON

Treasurer

Independent Auditor's Report to the Members

Scope

I have audited the attached financial report, being a special purpose financial report comprising the Statement by Members of the Committee, Income and Expenditure Statement, Detailed Balance Sheet, and Notes to the Financial Statements for the year ended 31 December 2009 of UMBRELLA STUDIO ASSOCIATION INC. The Committee is responsible for the financial report and has determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the requirements of the Associations Incorporations Act Queensland and are appropriate to meet the needs of the members. I have conducted an independent audit of this financial report in order to express an opinion on it to the members of UMBRELLA STUDIO ASSOCIATION INC. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial statements have been prepared for the purpose of fulfilling the requirements of the Associations Incorporation Act Queensland. I disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with my understanding of the association's financial position, and performance as represented by the results of its operations and its cash flows. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Audit opinion

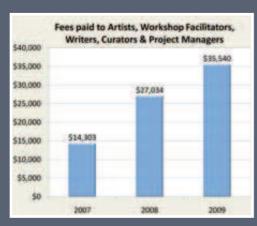

In my opinion, the financial report presents fairly, in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of UMBRELLA STUDIO ASSOCIATION INC as at 31 December 2009 and the results of its operations for the year then ended.
